

# La Lollo

*Design: Lorenza Bozzoli*

## Description

The Lollo is a tribute to the roaring 1950s and its retro charm. A series of unbreakable and lightweight technopolymer cylinders are disposed on a LED integrated central ring.

Offered in two sizes, medium and large, the collection is crafted from Lentiflex® or Lentiflex® with cold foil Opalflex®, available in a palette of vibrant and refined colors. The result is a sophisticated lighting piece that captures vintage glamour while embracing contemporary innovation. Made in Italy.
