

La Lollo

Design: Lorenza Bozzoli

Description

La Lollo collection pays homage to the wonderful 1950s. The ribbed effect of the glass is created with Slamp technopolymers (Lentiflex®, Lentiflex® with cold foil and Opalflex®), cold-worked and hand-molded to create an imposing and elegant lamp that is characterized by versatility and brilliance.

This refined wall-mounted lamp is crafted in sophisticated gradient finishes, metallic and textile-inspired textures, designed to decorate interiors with the same versatility as jewelry adorns a woman's body. Made in Italy.
