

Cabrio

Description

The Cabrio Lounge Chair is a piece of designer furniture inspired by the reclining capote of vintage roadsters. It achieves a perfect balance of rigidity and softness, refinement and informality. The rigid shell is crafted from vegetable leather, containing a generous cushion in plush nubuck. The stitching on the seat shell's back is a distinctive sign recalling the elegant car roof. This striking piece of modern luxury living room furniture is certified "Mascheroni srl Made in Italy".
