

## Calin XL

*Design: Gabriele & Oscar Buratti*

### *Description*

The Calin XL lounge chair combines refined craftsmanship with modern comfort, offering the perfect balance between structure and softness, elegance and innovation.

Available with a fixed or swivel metal base, this piece is defined by a curved plywood backrest in solid Canaletta walnut, which gracefully supports and embraces the upper cushions, lending a sense of stability and sculptural harmony. The seat and backrest are upholstered in a selection of luxury fabrics and leathers from the Porada collection, with removable covers for effortless maintenance and versatility.

Designed for relaxation, Calin XL features three plush back cushions and two side cushions, ensuring enveloping comfort. The result is a sophisticated lounge chair that seamlessly fits into contemporary and luxury living spaces, embodying the timeless appeal of Italian designer furniture.

Made in Italy.
