

Ronny

Design: Gabriele & Oscar Buratti

Description

The Ronny sectional sofa embodies a refined vision of modern luxury living, where comfort, versatility, and craftsmanship coexist in perfect balance. Defined by its sculptural geometry and generous proportions, Ronny offers a modular design that allows endless configurations—ideal for both expansive interiors and intimate settings. Supported by an elegant solid wood structure that highlights the natural beauty of the material, each element flows seamlessly into the next, creating a harmonious and cohesive composition. Crafted with meticulous attention to detail, the internal frame combines multilayer wood with solid poplar and fir, ensuring strength and longevity. The seat is supported by elastic straps positioned in parallel alignment for optimal elasticity and resilience. Inside, polyurethane foam padding with differentiated densities provides structure and softness, while a firmer band enhances leg support and a thermo-sensitive upper layer molds perfectly to the body.

To elevate comfort even further, the sofa is enveloped in a quilted 100% goose down layer, encased in a finely woven cotton shell that prevents feather migration. The soft cushions contour the frame with gentle folds, emphasizing Ronny's signature inviting and sculptural design.

Available with removable fabric upholstery or fixed leather options from the Porada collection, Ronny brings Italian artistry and modern sophistication to contemporary interiors.

A statement of refined comfort and timeless elegance, it perfectly complements luxury living spaces that value both aesthetics and performance. Made in Italy.
