

App

Design: Ludovica + Roberto Palomba

Description

The App bistrot table combines sleek design and functional versatility, embodying the perfect balance between elegance and practicality. Its slender silhouette features a square top supported by four gracefully converging legs, creating a sense of lightness and refined proportion.

Crafted from durable polyethylene using advanced rotational molding, this refined coffee table is available in white or black, offering timeless appeal for a variety of indoor and outdoor settings. With its minimalist aesthetic and versatile character, App is ideal for cafés, patios, terraces, and modern living spaces alike. Made in Italy.
