

Grand Pliè

Design: Ludovica + Roberto Palomba

Description

The Grand Pliè sofa celebrates the art of conversation through a perfect blend of comfort, elegance, and contemporary design. Its generous, enveloping form adapts naturally to every posture and occasion, offering a refined balance between relaxation and composure.

Made from durable polyethylene monoblock in white or light grey, this sculptural sofa features smooth, flowing lines and precise proportions, expressing modern minimalism through advanced rotational molding. Ideal for both indoor and outdoor spaces, the Grand Pliè pairs beautifully with the Pliè lounge chair and Piaffé coffee table, creating a cohesive and sophisticated living ensemble. Made in Italy.
