

Kalimba

Design: DriadeLab

Description

Inspired by the rhythm and harmony of the ancient African instrument, the exclusive Kalimba table embodies a refined balance between design innovation, sustainability, and functionality. Crafted entirely from extruded aluminum, this eco-friendly table features a slatted top and precisely engineered legs with adjustable feet for perfect leveling. Available in white polyester powder-coated or silver anodized finishes, Kalimba combines lightness, durability, and modern elegance, making it ideal for both indoor and outdoor spaces. Its clean lines and architectural form create a timeless aesthetic that effortlessly complements contemporary terraces, patios, or dining areas, bringing a touch of sophisticated minimalism to any environment. Made in Italy.
