

## Modesty Veiled

*Design: Italo Rota*

### *Description*

The Modesty Veiled lounge chair embodies the quiet strength of simplicity and restraint, transforming the concept of modesty into a statement of elegant design. Defined by its pure lines and sculptural silhouette, it evokes a sense of balance, humility, and refined beauty.

Crafted as a single monoblock structure in white polyethylene, this Italian piece offers both durability and lightness, making it ideal for indoor and outdoor environments. Its fluid contours and minimalist geometry create a comfortable, embracing form, perfectly aligned with contemporary design sensibilities. The result is a modern lounge chair that blends art, function, and philosophy. Made in Italy.
