

Nemo

Design: Fabio Novembre

Description

The Nemo lounge chair, transforms the human face into a striking architectural form that bridges art and design. Sculpted from a single block of polyethylene through rotational molding, it reveals a serene, classical visage that invites users to inhabit its interior space.

Both concealing and revealing, this iconic piece functions as a contemporary mask, an immersive sculpture that blends mystery, beauty, and comfort. Available in a range of refined colors including white, black, red, gray, and denim, the Nemo chair is suitable for both indoor and outdoor use, offering a bold statement of modern artistry and design innovation. Made in Italy.
