

Piaffè

Design: Ludovica + Roberto Palomba

Description

The Piaffè coffee table completes the Grand Plié and Plié seating collection, forming a harmonious and sophisticated ensemble that enhances both indoor and outdoor spaces.

Defined by its sculptural silhouette, the table evokes the image of a folded sheet of paper, its surface shaped by delicate curves, indentations, and recesses that play beautifully with light and shadow.

Crafted from durable polyethylene monoblock in white or light grey, the Piaffè coffee table embodies modern minimalism, elegant functionality, and timeless design, making it an ideal centerpiece for contemporary settings. Made in Italy.

Dimensions

48"3/8W x 36"1/4D x 14"5/8H
