

## Pilé

*Design: Ludovica + Roberto Palomba*

### *Description*

The Plié lounge chair reinterprets the art of conversation through a balance of comfort, elegance, and design harmony. Its sculptural form invites different postures, adapting effortlessly to the mood, space, and occasion.

Crafted from durable polyethylene monoblock using advanced rotational molding, Plié showcases soft, fluid lines and a minimalist silhouette available in white or grey. With its distinctive personality, it pairs perfectly with the Grand Plié Sofa and Piaffé Coffee Table, creating a refined and contemporary ensemble for both indoor and outdoor settings. Made in Italy.
