

Roly Poly

Design: Faye Toogood

Description

The Roly Poly lounge chair seamlessly merges furniture and sculpture. Its distinctive bowl-shaped seat and cylindrical legs create a playful yet architectural silhouette, offering both visual softness and structural solidity.

Crafted from durable polyethylene monoblock using advanced rotational molding, the chair's low, enveloping form invites relaxation while maintaining a modern, minimalist presence. Roly Poly adapts to indoor and outdoor environments. Available in a curated palette of contemporary colors, this iconic design brings a touch of artful sophistication and sculptural beauty to any space. Made in Italy.
