

Sissi

Design: Ludovica + Roberto Palomba

Description

Stackable chair (up to 4 pieces) made of a polypropylene copolymer reinforced with glass fiber, featuring semi-soft natural polyethylene feet for stability and protection. Available with or without armrests and offered in different colors. Designed for indoor and outdoor use, and sold in sets of four chairs of the same color.

Sissi is a sculptural and contemporary chair that balances functionality and expressive design. Its circular backrest and armrest elements evoke the elegance of Viennese craftsmanship, reinterpreted with a modern sensibility. Designed by Ludovica and Roberto Palomba, Sissi pays homage to the classic curved-wood chair, transforming it into a bold, feminine, and architectural object. Defined by its flowing lines and sensual, interlocking rings, Sissi embodies refined charm and timeless allure. It stands as a symbol of Italian craftsmanship, innovation, and elegance. Made in Italy.
