

Tokyo-Pop

Design: Tokujin Yoshioka

Description

The Tokyo-Pop bar table, captures the essence of contemporary elegance through its sculptural simplicity and refined form. Crafted from a single block of durable polyethylene using advanced rotational molding, it transforms industrial material into a work of minimalist design.

Its fluid lines and distinctive silhouette create a bold yet harmonious presence, ideal for both residential and commercial settings. Available in sophisticated white or deep anthracite black, this versatile monoblock table enhances indoor and outdoor spaces alike with its modern aesthetic and timeless appeal. Made in Italy.
