

# Zile

*Design: Archirivolto*

## Description

Zile is a contemporary eco-friendly suspension lamp that pairs refined design with responsible innovation. Its sculptural silhouette features a durable steel structure paired with an elegantly rounded lampshade crafted from bio-plastic (PLA), a material composed of 80% renewable resources and widely recognized for its compostable, environmentally conscious qualities.

Developed through low-impact manufacturing processes, Zile places sustainability at the forefront, nearly all materials used in production come from recycled or renewable sources. This makes it the perfect choice for those seeking sustainable pendant lighting, eco-friendly suspension lamps, and modern décor solutions with reduced environmental impact. Made in Italy.
