

Barcelona

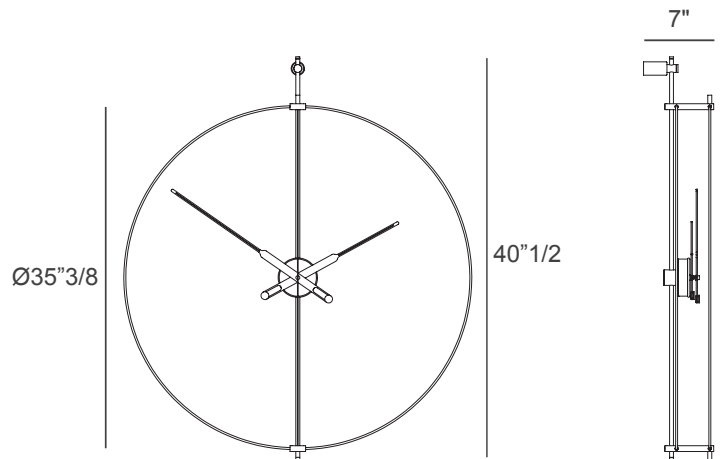

Description

The Barcelona Premium elevates one of Nomon's most celebrated models through a more luxurious and sophisticated material palette. The double fiberglass bezel shines in an elegant polished brass finish—an upgrade that introduces warmth, glamour, and a refined glow to the original minimalist silhouette. This Premium edition highlights Nomon's commitment to craftsmanship, innovation, and enduring style. As part of the Premium Collection, the Barcelona Premium redefines the concept of a designer wall clock, transforming it into a decorative statement piece that seamlessly blends artistic presence with functional precision.
