

Bilbao

Description

Bilbao embodies simplicity and minimalism in their purest expression, presenting a clean and architectural design that highlights the beauty of essential forms. Its perfectly drawn fiberglass ring frames the space with visual lightness, while its walnut hands add warmth, balance, and a strong designer identity. The combination of textures and materials creates a chic, modern, and stylish focal point suitable for both refined residential spaces and contemporary professional interiors. Part of the renowned Rings Collection, Bilbao stands alongside Nomon's most iconic creations—including the celebrated Barcelona model—offering a sculptural presence defined by clarity, precision, and impeccable craftsmanship. These luxury minimalist clocks bring distinguished character to any environment, transforming the wall into a refined statement of high-end design.
