

Micro Anda

Description

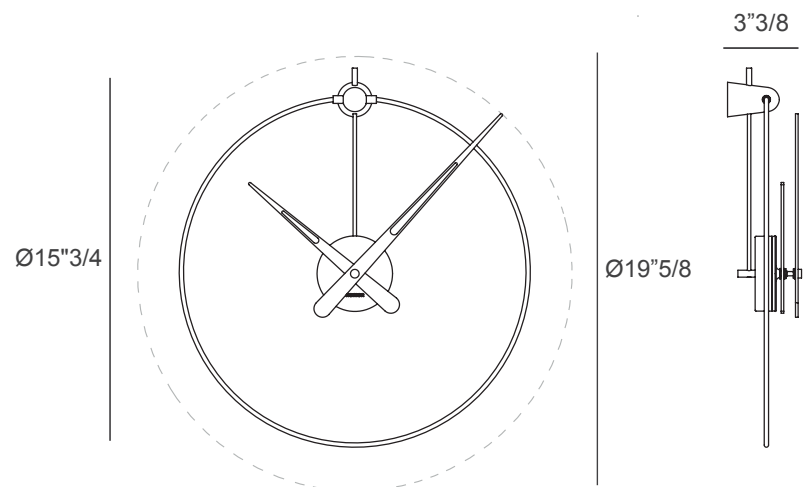

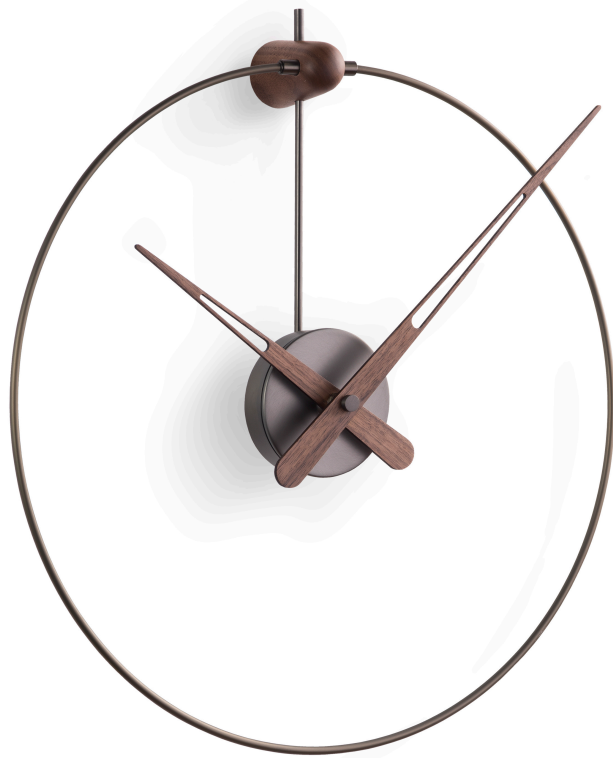

Micro Anda is a piece of minimalist design created for spaces that demand elegance in reduced dimensions. Its structure combines an ultra-slim metallic ring with walnut wood hands, offering a warm yet contemporary contrast.

This blend of noble materials highlights the piece's artisanal essence, turning it into a sophisticated decorative clock ideal for modern interiors where visual subtlety is key.

Mechanism: German UTS.

Dimensions

Ø19"5/8 x 3"3/8D

Finishes & Materials

Box & Ring: Brass.

Hands: Walnut wood.
