

Ombra

Description

As part of the brand's premium collection, Ombra premium enhances the original design with elevated detailing and a heightened sense of refinement.

The LED light ring creates a soft, immersive glow that beautifully contrasts with the dark, anodized finish.

This model embodies understated luxury, offering a combination of sculptural minimalism, functional lighting, and contemporary elegance—perfect for refined interiors, boutique spaces, or design-centric environments.

Available in a wall-mounted model, which requires an electrical wall connection, or in a plug-in version.
