

Afrodite Bijoux Desk

Design: Carlo Ballabio

Description

The transitional Afrodite Bijoux Desk, designed by Carlo Ballabio, extends the Afrodite desk collection, featuring a hidden compartment with an integrated mirror. Made entirely of solid Canaletta or matt lacquered finishes, it includes a three-drawer module that can be placed on either side. Its cuoietto top and clean, sophisticated lines make it suitable for both modern and classic interiors. The chest of drawers can be placed on the right side or on the left side (viewed from the seat side).
