

## Bayus night 2

*Design: Gabriele & Oscar Buratti*

### *Description*

The Bayus Night 2 nightstand enriches the Bayus collection with a refined and functional design, perfectly suited for contemporary and elegant bedrooms. Maintaining the collection's signature aesthetic, it features a larger structure with two spacious full-opening drawers adorned with braided leather handles.

The piece rests on a metal base with brushed brass end feet, adding a subtle touch of luxury. Crafted with edges in solid shaped Canaletta walnut, Bayus Night 2 exemplifies Porada's exceptional Italian craftsmanship, showcasing meticulous attention to detail and timeless style.

Made in Italy.
