

## Bayus night 6

*Design: Gabriele & Oscar Buratti*

### *Description*

The Bayus Night 6 chest of drawers brings refined functionality and timeless Italian craftsmanship to the modern bedroom. Part of the elegant Bayus collection, it features a sleek frame in solid Canaletta walnut housing six full-extension drawers with distinctive scoubidou-effect leather handles, combining practicality with understated luxury. The structure rests on a metal base, accentuated by brushed brass feet that lend a sophisticated contrast to the warmth of the wood. The shaped solid walnut edge highlights Porada's mastery in fine woodworking, resulting in a luxury bedroom furniture piece that seamlessly balances craftsmanship, elegance, and contemporary design.

Made in Italy.
