## *Description*

The Callisto Mix coffee table showcases a stunning blend of luxury Italian craftsmanship, elegant materials, and contemporary style. Its matte Bronzoro-lacquered wooden base supports three sculptural tops in different sizes, available in premium marbles, such as Grey Carnico, Imperial Rome, Lapponia Green and Dover White, or in ash wood with natural, stained, or lacquered finishes. Each marble features unique veining, creating a one-of-a-kind visual composition.

Clients can mix different marble and wood finishes or choose a single finish, making Callisto a highly customizable high-end coffee table suitable for modern living rooms and designer interiors. Crafted with exceptional attention to detail, Callisto perfectly expresses Porada's signature approach to luxury furniture. Made in Italy.
