

## Matics 4

*Design: Gabriele & Oscar Buratti*

### *Description*

The Matics 4 sideboard is a standout piece within the transitional Matics collection, offering an elegant balance of function and design. It features four hinged doors in either warm wood or Stopsol super silver clear glass for a lighter, contemporary look. A pewter-finished metal base provides support with a refined, airy feel. In the glass-door version, integrated dimmable LED lighting, controlled by remote or app, highlights the interior and enhances the contrast of materials. With clean lines, versatile finishes, and sophisticated details, the Matics 4 brings a polished, modern presence to any space. Made in Italy.
