

## Aries

*Design: Draga & Aurel*

### *Description*

Fashion and design create the Aries lounge chair which combines minimal chic and geometric lines, a tribute to the space age experiments of Andre Courreges and Pierre Cardin. The padded part is supported by a shiny metal structure, which continues from the base up to the backrest defining its unique style.

### *Finishes & Materials*

**Cover:** Fabric or leather.

**Structure:** Satinized lacquered steel.

**Cufflinks:** Marble.
