

# Aubade

*Design: Alessandro La Spada*

## *Description*

The Aubade bed, like a horizontal stage set evoking the sunrise, is a geometric composition of solid and empty volumes, enhanced by the depth of backlit Patagonia marble panels. The upholstered headboard, divided into six geometric elements, is nestled within this exquisite marble frame with a hydro finish. Small courtesy LED lights are integrated into the upholstered side profiles, adding a subtle glow.

## *Finishes & Materials*
