

Aura

Design: Fabio Bonfà

Description

The Aura longue chair with a wooden shell shaped as a hemispherical cup, modeled as a continuous surface that incorporates seat, backrest, and armrests. The open-cell polyurethane and memory foam padding provides deep comfort, divided into four zones. Available with leather or fabric upholstery and a swivel base in stainless steel, offered in a wide array of polished or satin metal finishes.

Finishes & Materials

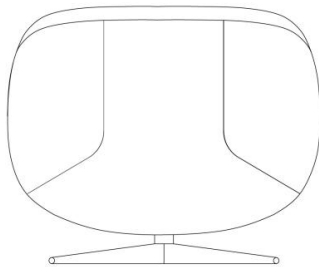

Cover: Fabric or leather.

Base: Metal.
