

Bastian

Design: Mauro Lipparini

Description

The design of the Bastian sofa stands out for its elegant structural concept, based on a "suspended elements" construction that lends lightness and dynamism to the armrests and backrests. These elements, crafted with a refined "envelope-style" technique, feature tailored details enhanced by metallic embellishments—true jewels that highlight the precision of the stitching and edging.

Finishes & Materials

Cover, band & piping: Fabric or leather.

Details: Metal.

Bastian
