

Cameron

Design: Alessandro La Spada

Description

The Cameron dining table in marble with round or elliptical top and sculptural base composed of two cylindrical marble elements, carved from a block in a reversed arch shape and hand-polished. The interior of the arch is finished in polished stainless steel, while an aluminum bar with logo separates the two volumes. The top, with a half-round edge, rests on a lacquered wooden under-top. Metal parts are available in selected finishes.
