

# Imagine

*Design: Mauro Lipparini*

## *Description*

The Imagine lounge chair comes upholstered in leather or fabric, with a poplar multilayer structure and elastic webbing suspension, padded with multi-density polyurethane for maximum comfort. The armrests, made from metal sheets wrapped in leather, elegantly pair with the glossy black lacquered wooden legs, decorated with distinctive piping. Metal feet, available in various metal finishes, complete the armchair's refined design.

## *Finishes & Materials*
