

Pavone

Design: Marc Ange

Description

The Pavone lounge chair in leather or fabric inspired by the silhouette of a peacock, with a dramatic shell in brass and steel evoking the spread of plumage. Armrests and backrest form a crown of hand-polished cast brass elements, completed by upholstered cushions. The seat and lumbar support are made of multi-density polyurethane with an acrylic fiber layer. Chrome-plated metal base and a pedestal wrapped in leather. Metal parts are available in the full range of selected finishes.

Finishes & Materials
