

# Spectre

*Design: Fabio Bonfà*

## *Description*

The Spectre swivel armchair with a sculptural profile, featuring an internal structure in mesh-shaped molded metal, fully padded and upholstered in leather on the back. The seat, available in leather or fabric, offers generous volumes, while the high-gloss varnished solid ash armrests are integrated with formal precision. The elliptical-profile four-spoke stainless steel base completes the ensemble.

## *Finishes & Materials*

**Cover:** Fabric or leather.

**Structure & Armrests:** Solid wood.

**Base:** Metal.
