

Voluptas

Design: Studiopepe

Description

Stool with an internal plywood structure and multi-density polyurethane padding, complemented by acrylic fiber for balanced comfort. The backrest is composed of three individually upholstered, curved cylindrical bands, creating a graphic and structured profile. The swivel base, featuring a turned stainless steel stem, is available in a curated selection of metal finishes that enhance its design.

Finishes & Materials

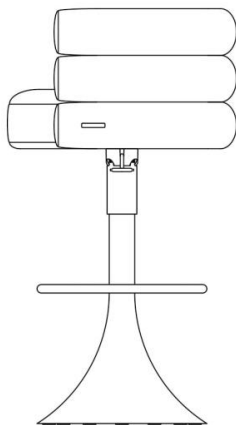

Cover: Fabric or leather.

Base, Footrest & Knob: Metal.
