

Vortex

Design: La Conca

Description

Table that combines marble's solidity with leather's visual softness, featuring a top punctuated by "leather" finished marble inserts separated by thin upholstered dividers. The half-round shaped edge is finished in leather with visible stitching that recalls traditional saddlery craftsmanship. The conical satin-finished steel base, draped in shape, is offered in an upholstered version, balancing materiality, form, and detail.

Finishes & Materials

Top: Marble.

Upholstered Top Inserts And Base: Leather.

Base Inserts: Metal.
