Design: laCividina Lab

Description

The A'er collection stands out for its ability to adapt to a wide range of contexts: from the home environment to public spaces such as hotels and clubs. The stylistic signature of the collection is clear and easy to identify: the back and armrest become one with the seat and the recessed fabric completes the essential, perfect balance.

Dimensions

2-seater: 72"3/8W x 36"1/4D x 27"1/2H
