

Nphoto *Design: laCividina Lab*

Description

The Nphoto Lounge Chair is a versatile piece of contemporary furniture designed for maximum comfort and style. It can be luxuriously Covered in Fabric or Leather, offering wide customization possibilities to suit any interior aesthetic. A key feature of this design is its flexibility, as it is available in two variants: with or without armrests. This allows the Nphoto Chair to fit seamlessly into diverse arrangements, making it an excellent choice for modern living furniture. Made in Italy.
