

## Joy

Design: Lanzavecchia + Wai

### Description

The Joy Floor Lamp is a large-size, poetic piece of designer lighting created by Lanzavecchia-Wai. The design of the Joy lamp features a premium combination of a stable marble base and durable Poleasy® lampshades. Connected by a copper finish metal stem, this stunning outdoor concept adapts effortlessly to multiple contexts, functioning as a beautiful design jewel. Made in Italy.

### Dimensions

**Size:** 11"7/8W x 40"1/2D x 112"1/8H

### Finishes and materials

**Structure:** Aluminum Ø1"1/2, epoxy powder coated for maximum resistance to corrosion by external agents, copper coloured..

**Diffuser:** Poleasy diffusers with excellent mechanical properties, UV stabilized. Free of 99% surface porosity.
