

## Desiderio Axis

*Design: Euroluce*

### *Description*

Axis System is our rectangular modular suspension system designed to adapt seamlessly to a wide range of interiors and lighting requirements. Within this architectural framework, the Desiderio chandelier becomes the centerpiece, its sculptural lines showcased in an elegant black nickel finish. Offered in three refined colorways, each variant expresses a distinct personality. Desiderio Brown brings a warm palette enriched with satin details and beech wood varnished in coordinated tones. Desiderio Fumé explores a deep, smoky character enhanced by dark beech wood accents. Desiderio Viridian introduces a rich green identity highlighted by matching satin finishes and green-varnished wood details. Crafted in Veneto, the chandelier features patented conical square arms and precision-made glass components, while diamond-shaped elements in beech wood add a handcrafted note. Elevated with Swarovski® accents and presented in an engraved box, the Desiderio chandelier stands as a confident and expressive interpretation of the Axis System, merging technical expertise with artisanal refinement. Made in Italy

Light bulbs not included. UL Certified.  
Equipped with double insulation or reinforced insulation.

## Desiderio Axis

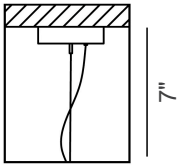

### Dimensions

**AXIS 8:** 68"1/2W x 33"D x 31"7/8H

**AXIS 10:** 60"5/8W x 33"D x 31"7/8H

**AXIS 12:** 52"3/4W x 33"D x 31"7/8H

**AXIS 14:** 45"1/4W x 33"D x 31"7/8H

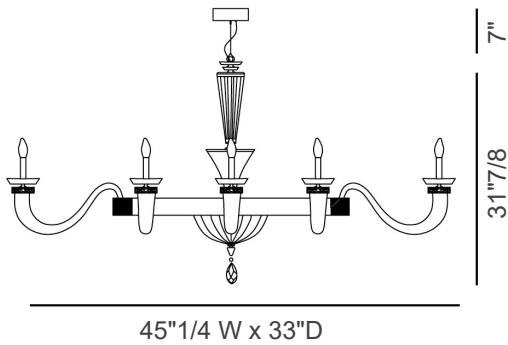

**HOOK WITH METAL CABLE: 7"H**

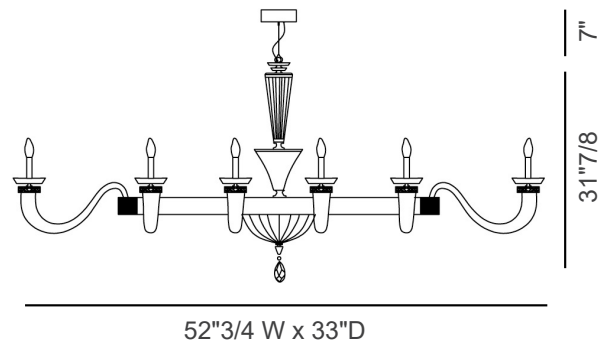

Hook with the ceiling cup and cable minimum height

*The height of the chandeliers is calculated by excluding the hook.*
