

Scirocco

Design: Draga & Aurel

Description

Sideboard with ash wood structure, anthracite grey finish, and edge in solid wood. Equipped with four drawers with decorative birch plywood fronts, carefully chosen and crafted to create the feeling of being moved by the wind. Manually finished by Draga & Aurel using epoxy resin, which makes every door and sideboard a truly unique piece. Fixed smoked glass middle shelf and LED lighting inside each drawer. Pewter-painted metal feet. Made in Italy.
