

# Filotto

*Design: Adriano Design*

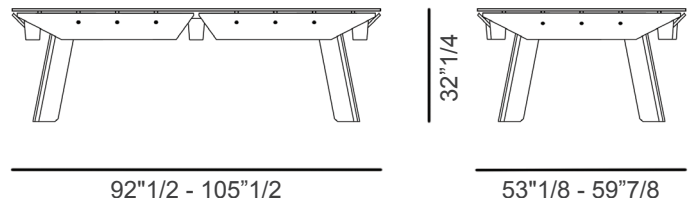

## *Description*

7 or 8 foot pool table. The magic of the table lies within the realized thin steel frame, which is both adjustable, divisible and supports the solid slate game surface, as well as the crystal structure that characterizes the new design. The unique feeling of seeing the billiard table “float” on four legs is complementary to the pleasure of playing on this Italian masterpiece. Made in Italy.

## *Dimensions*

**7 Foot:** 92"1/2W x 53"1/8D x 32"1/4H

**8 Foot:** 105"1/2W x 59"7/8D x 32"1/4H
