Design: Mandalaki Studio

Description

The Koinè suspension lamp embodies the elegance and purity of form that define the entire Koinè lighting family. Its specially engineered mineral glass lens generates a homogeneous, wide cone of light with crisp, clearly defined edges, offering exceptional visual comfort while preventing glare.

Available in five different sizes and crafted in high-quality black or white aluminum, this modern pendant lamp adapts effortlessly to a variety of contemporary interiors. Its minimalist design and refined materials make it ideal for living rooms, dining areas, and architectural spaces where both soft ambience and precise illumination are essential. Made in Italy.
