

# Levante

Design: Marco Spatti

## Description

Levante is a striking suspension lamp that combines poetic design with advanced material innovation. Though impressive in scale, it appears light and ethereal, three large fan-like veils intersecting to form a sculptural, floating presence inspired by wind and subtle oriental aesthetics.

Made from an unusual material borrowed from the food industry, the ultra-thin PET diffusers resemble delicate rice paper and spread soft, uniform light throughout the space. Each veil attaches magnetically to an aluminum core that hides the light source, glowing at the center like an organic, beating heart.

Elegant, atmospheric, and visually impactful, Levante is a statement chandelier ideal for modern living rooms, dining areas, and sophisticated contract environments. Made in Italy.

## Light Source:

**Size A:** LED 27W 1230lm 2700K CRI 90. Dimmable.

**Size B:** LED 55W 1750lm 2700K CRI 90. Dimmable.

**UL Approved.**

## Dimensions

**Size A:** Ø25"1/8 x 17"3/8H + Cable & Canopy

**Size B:** Ø41"3/4 x 28"3/8H + Cable & Canopy

**Cable length:** Min. 39"3/8 | **Canopy:** Ø5"7/8
