

# Queen Titania

*Design: Alberto Meda & Paolo Rizzato*

## *Description*

Queen Titania is the grand, oversized version of the iconic Titania suspension lamp, designed to illuminate large spaces with striking contemporary presence. Its steel bearing structure and aluminum lamellar shell create a lightweight yet sculptural form that delivers powerful, elegant lighting.

Optional customizable interchangeable filters in rose, light blue, yellow, and violet let you color the aluminum body without affecting the purity of its white light emission. An optional up-and-down lighting kit adds versatility for both ambient and functional illumination. Perfect for high ceilings, open-plan interiors, and design-focused environments, Queen Titania is a bold statement piece that combines scale, innovation, and refined modern style. Made in Italy.

### **Light Source:**

Halogen/LED Equivalent 2x 205W Max T-10 Medium Base. Dimmable. UL approved.
