

# Panama Table Lamp

*Design: Euga Design*

## *Description*

The modern Panama Table Lamp is defined by its clean, linear design, combining a cone-shaped base with a slender stem and a flat, understated lampshade. Constructed from meth-acrylate, the lamp is designed to deliver durability along with a contemporary look. Each model is equipped with a polycarbonate reflector treated with an anti-glare finish, ensuring comfortable illumination whether the lamp is used in domestic spaces or professional environments.
