

Swan Wall Lamp

Design: Bernhard Osann

Description

The modern Swan Wall Lamp presents itself as a graphic symbol, shaped by essential, minimal lines that emphasize both its expressive character and its impressive mobility. Its design is grounded in a smart intuition.

The light source can be adjusted to deliver accurate and targeted illumination, responding precisely to different lighting needs. Completing the design is the counterweight, an indispensable component of the lamp's balance, which is carefully covered in Testa di Moro leather, adding a refined and tactile detail to the overall composition. Honeycomb accessory included, 60° optics. Made in Italy.

Swan

Finishes & Materials

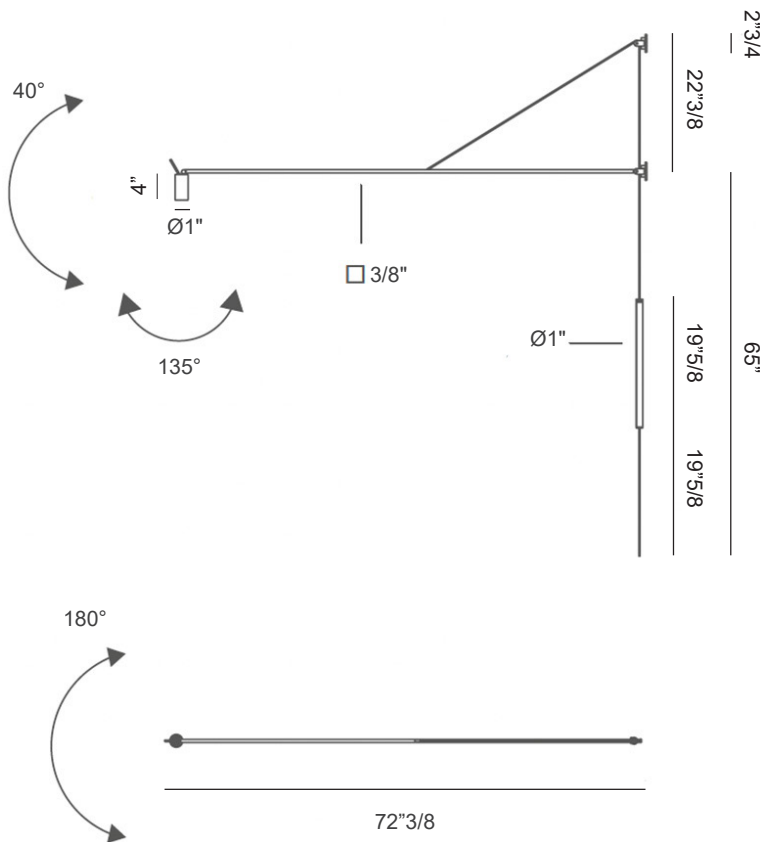

Structure: Aluminum

Counterweight: Leather

Dimensions

Size: 72"3/8W x 2"D x 87"3/8H

Model: Swan

| | |
|------------------------------|--|
| Source | LED board |
| Total power | 15W |
| Emission | Direct |
