

Bohème & Morfeo

Design: M. Marconato & T. Zappa - Essetipi

Description

Created by the design duo Marconato & Zappa, the Bohème upholstered bedhead stands out for its frame and side modules in solid canaletto walnut, a defining material for Porada. With its linear design and dynamic silhouette, the Bohème upholstered headboard fits naturally into any master bedroom. Its elegant horizontal stitching contrasts with the vertical grooves of the solid wood modules, highlighting the precise craftsmanship and attention to detail found in every Porada creation.

Covers are available in all fabrics and leathers of the collection. The bedhead pairs with the Morfeo bed, a softly contoured bed frame also available in the fabrics and leathers of the collection and offered in multiple sizes to meet different interior needs. Supplied with a slatted base, the bed frame can also be equipped with a multilayer panel on request, as well as storage. Made in Italy.

Leather versions feature decorative stitching.

Slats included. Mattress, cushions and decorative elements not included.
