Description

The Ego fixed table is a statement of contemporary sophistication, defined by sculptural lines and a refined mix of materials. Its distinctive curved legs, crafted in plywood with an ash wood inner side and HDF outer finish, create a strong architectural presence while maintaining visual lightness.

The iconic top combines blockboard ash wood with an MDF-plated blockboard section, enhanced by an elegant stoneware insert that adds texture and contrast. Designed for modern dining rooms and design-driven interiors, the Ego table merges innovation, premium materials, and timeless elegance into a striking centerpiece. Made in Italy.
