

Mayfair

Description

The Mayfair fixed table embodies refined elegance through a harmonious blend of noble materials and sculptural design. Its oval silhouette is defined by a solid ash wood structure and top, enriched with shaped marble inserts that wrap the edges and sides, creating a striking contrast between warm wood and natural stone.

Finished in honed Breccia Capraia marble, the sculpted details add depth and sophistication, while the wooden plinth ensures stability and visual balance. Designed for luxurious dining rooms and design-focused interiors, this exclusive table stands as a timeless statement piece that celebrates Italian craftsmanship, premium materials, and contemporary elegance. Made in Italy.
