

# Aubade

*Design: Alessandro La Spada*

## *Description*

Bench with an essential design, combining an internal structure in solid and multilayer wood with multi-density polyurethane padding, engineered for comfort and durability. The upholstery, in fabric or leather, is enhanced by tailored details: cuts and stitching coordinated with the Aubade bed, and satin metal finishes that define a precise and refined vision of the upholstered piece.

## *Finishes & Materials*

**Cover:** Fabric or Leather.

**Base:** Metal.

## Aubade
